Homecoming Queen Election Set Tomorrow

Parade On; Plans Told

EASTERN'S forty-fifth annual Homecoming will feature the additional parade of floats and bands despite the highway and street construction projects currently underway, according to Cal Stockman, chairman of the Homecoming Committee.

Stockman made the announcement Friday following a meeting of Homecoming officials with representatives from the major campus organizations which enter the Class "A" float competition each year.

Several campus groups had expressed a reluctance to build floats for the 1959 parade be-

Float Entries Due At Union Today

ALL FLOAT entries must be deposited at the main desk of the University Union between 12 noon and 4 p.m. today, according to Charles Rickert, parade chairman.

Entries will be stamped to mark the time at which they are turned in, said Rickert. He noted that in case two organizations entered similar float ideas, the one marked with the earliest time would be granted the right to the design.

House decoration entries must be left at the Union desk between 12 noon and 4 p.m. Monday, September 28.

cause of the uncertainty of street conditions, according to Stockman.

But the campus organizations, mostly social fraternities and sororities, voted at the Friday meeting to participate in the parade after committee officials announced a new parade route and presented arguments as to why the traditional Homecoming trek should not be cancelled, said Stockman.

Charles Rickert, chairman of the parade committee, told the group that the absence of the Class "A" floats from the parade would

Plan Open Stacks For High Grades

A PLAN allowing undergraduate students at Eastern who have a cumulative grade point average of at least 3.0 to apply for permission to use the library stacks is now pending approval, according to Dr. R. F. Schaupp, chief librarian.

Before a stack permit can be issued, a student must secure a request form. This is taken to the records office, where verification of the student's standing will be made. The librarian will then issue the necessary permit.

These permits are valid for the quarter issued. Renewal will be made for succeeding quarters providing the necessary average is maintained, and providing the student's record shows no infraction of library rules.

"There is always an advantage to free access to books, especially for students who are writing thesis and long papers," stated Schaupp.

If approved, this plan will go into effect the latter part of this week.

Sigma Sigma Sigma

Jan Vulgamott

Sigma Kappa

Sue Bartlett

Delta Zeta

Mary Lou Rector

Three Girls Vie For Title

Greeter, Cheerleader Elections Scheduled

ELECTIONS of Homecoming queen and attendants, freshman attendants, football greeters and cheerleaders have been scheduled beginning tomorrow, according to Jack Rogers, Student Senate elections chairman.

Sigma Sigma Sigma sorority introduces Jan Vulgamott, senior physical education major from Cerro Gordo as its hopeful for the title. Jan is a Student Senator and was an Eastern cheerleader last year.

Mary Lou Rector is running as Delta Zeta's candidate for the crown. Mary Lou is a senior physical education major from Hoopes-ton. She is president of DZ and a majorette in the Eastern band.

Representing Sigma Kappa sorority in the race is Sue Bartlett, a junior elementary major from Watseka. Suzie is first vice-president of the sorority and a Student Senator.

The election of Homecoming Queen and attendants and freshman attendant will be held from 8 a.m. to 4 p.m. tomorrow in the University Union. All students are eligible to vote.

In making this announcement, Rogers said that the rally for this election will be held at 7 p.m. tonight. As in the past a parade will launch the rally.

The parade will form on Seventh Street at the east entrance of the Fine Arts Center. It will proceed south past the Laboratory School, then west to Fourth Street, north on Fourth to Buchanan, east on Buchanan to Sixth, north on Sixth to Harrison, east on Harrison to Seventh, and south on Seventh to the parking lot at the east entrance to the University Union where the candidates will be interviewed at 7:45.

The election of football greeters will be held on Thursday, October 1, in the hall of the University Union. Sophomore, junior or senior girls are eligible. Petitions bearing 20 or more signatures should be filed prior to 4 p.m. Friday, September 25, in the dean of students office.

A rally for the greeter candidates will be held at 7 p.m. on Wednesday, September 20, at the east entrance of the University Union.

The election of cheerleaders will be held at 10 a.m. tomorrow in Lantz Gymnasium. Ballots will be handed out at the door prior to the tryouts and collected at the door when the session is over.

The Elections Committee asks the support of the entire student body in making these elections successful. "Remember, you can have no complaint against the persons elected if you didn't vote," Rogers pointed out.

University Union Hours Changed For This Fall

THE UNIVERSITY Union has changed its hours of operation due to the large number of freshmen on campus this fall.

The new hours are: Monday through Thursday 7 a.m. to 10:30 p.m.; Friday 7 a.m. to 11:30 p.m.; Saturday 8 a.m. to 11:30 p.m.; and Sunday 8 a.m. to 10:30 p.m.

The Lobby Shop will now be open from 9 a.m. to 8 p.m. The Recreation Room will open at 9:00 a.m. and close when the Snack Bar closes.

Cheerleaders To Be Elected Tomorrow

CHEERLEADERS will be chosen tomorrow at 10 a.m. in Lantz Gymnasium by the student body and faculty of Eastern.

According to Jack Rogers, election chairman of the Student Senate, 12 cheerleaders will be chosen from the candidates.

The six candidates receiving the most votes will compose the varsity squad. The six candidates receiving the next highest amount of votes will be on the reserve squad.

If an elected cheerleader does not perform his duties, the candidate who received the next highest number of votes will be given the position.

Each candidate will lead the student body and faculty in one cheer. Ballots will be handed out by members of the Student Senate to persons attending the election. Each person will be allowed to vote for 12 candidates.

Blood Drive Held Today at Union

THE ANNUAL blood drive, sponsored by Alpha Pi Omega, is being held today at the University Union.

Dick Hoyd, president of APO, stated that this year two trophies will be awarded. One will go to the group with the largest number of donors. Another will be presented to the organization with the most donors percentage-wise.

All persons able to give blood are urged to participate. Transportation can be attained by phoning the Union.

Two Dorm Residents Compete For Freshman Attendant Role

Carol West

Band Signed; Admissions Set

THE 14-PIECE Sauter-Finegan Orchestra has been signed to play for the annual Homecoming dance and concert, according to an announcement by the Homecoming Committee.

Scheduled for Lantz Gym, the concert will be held from 7:30 p.m. to 8:30 p.m. October 10. The dance will follow from 9 p.m. to 12 midnight. Coronation of the Homecoming queen will precede the dance.

Johnny Rinaldo's 12-piece band will also play for the dance, performing in the ballroom of the University Union.

Dance and concert tickets will

(Continued on page 4)

MISS KAREN Hansen and Miss Carol West are the two hopeful candidates for freshman attendant to the 1959 Homecoming queen.

Miss Hansen, who is backed by Ford Hall, is an art major from Kankakee. Miss West is supported by Weller Hall and is from Olney. Her major is two year general.

Both express great thrill and surprise because of the selection by their respective halls to back them for freshman attendant.

They will campaign at 7 p.m. tomorrow. The rally will be climaxed by an interview of both candi-

Karen Hansen

dates at the east entrance of the University Union.

The election will be held in the University Union hallway from 8 a.m. to 4 p.m. on Friday.

Four Artists Series Numbers Announced

THE ARTIST Series Board has announced its attractions for 1959-60.

Opening with Katharine Cornell and Brian Aherne in the new play, "Dear Liar," and continuing with Jan Peerce of the Metropolitan Opera, Jose Greco and his Spanish Dancers, and pianist Claude Frank, the series promises to be one of the most outstanding ever to be presented in the Central Illinois area and should be of enormous interest, according to Dr. Robert Waddell, Board Chairman.

Students may attend the numbers on their activity books. Season tickets are available for the public at \$6.50 for reserved seats. The season ticket makes it possible to attend all four attractions at less than the cost of three single admissions.

Tickets may be purchased

by writing the Artists Series Board, Eastern Illinois University, Charleston, Ill. Individuals wishing seats together should order them together.

The first attraction, "Dear Liar," on October 26, stars two famous names of the American theater. Katharine Cornell, who will visit more than 90 cities in this play, has been seen in "The Barretts of Wimpole Street," in which she starred with Brian Aherne in 1931, and in Shaw's "Saint Joan," "Candida," and "The Doctors Dilemma," among many plays.

Brian Aherne, who played Professor Henry Higgins in the Chicago "My Fair Lady," is known for his many pictures, among them "Juarez," "My Son, My Son," and recently, "The Swan," with

Grace Kelly.

"Dear Liar" is an especially suitable vehicle for these stars because it recounts the celebrated relationship between George Bernard Shaw and Mrs. Patrick Campbell. Adapted by Jerome Kilty from the intimate letters of Shaw and the famous actress, the play is having a successful tour before its Broadway premiere.

Jan Peerce, leading tenor of the Metropolitan Opera of New York, will appear on January 19. Peerce, whom Toscanini called "my favorite tenor," is famous for his roles in such Italian operas as "Lucia di Lammermoor" and "Rigoletto," and for his numerous records.

He is equally at home in German and French lieder, in religious music and in the popular ballad, his great suc-

Student Senate . . .

Are You Represented?

THE STUDENT SENATE is an important organization to students at Eastern. Yet this organization is virtually ignored by a great many of the students which it affects. Many do not know if the Senate is carrying out its assigned purpose or, for that matter, whether the Senate is carrying out any purpose at all.

It would appear that an organization which received almost \$4,000 from the student activity fees (59 cents per student per quarter) would create some interest from a purely monetary standpoint alone. The Student Senate treasury is now bulging with more than \$5,000 of your money, counting what was left from last year. Will it be spent the way you want it spent?

The Senate was recently asked to get the opinions of students in the various departments and organizations represented concerning the possibility of purchasing part of our textbooks at Eastern. Are your ideas on this subject being considered?

The Student Court will be in operation again this year. Will we find out how it operates or just criticize what we will not take time to understand?

The **News** is attempting to cover the operation of the Senate in great detail this year, although certain technical problems concerning Senate meeting times must be overcome first.

However, no matter how well the Senate activities are covered in the **News**, there is no substitute for direct communication with your senator. It is worth the time involved.

Panther's Lair

Hast Any Panther In Thee?

DURING THE time the Student Union was under construction and for a time after it was officially opened there was some discussion about naming the snack bar the "Panther's Lair." The original brochures that were distributed contained the name, although it has been inadvertently omitted from the current copies.

We feel that the name, "Panther's Lair," has considerable merit. It would give us an association between a school symbol and a place where many of us spend a good portion of our leisure hours; it would afford us a happy memory in later years.

The name isn't known. Fifteen freshmen who were asked where the "Panther's Lair" was had no idea. They had never heard of it. (I didn't have the courage to ask if they knew the significance of the panther.) The "Snack Bar" it is and the "Snack Bar" it shall remain unless something is done.

The east and west walls are as barren as the gingko trees in January. Barren gingko trees can be tolerated—we believe there will be some agreement there—but we feel that something should be done to the "Panther's Lair" to lend it the character it now lacks. A logical choice would be a large picture of a panther on either the east or west wall.

A movement to obtain such a picture from the Art Department ran out of gas because of lack of enthusiasm on the part of the students. The director of the Student Union informs us that plans are presently being made to install some decorative motif in the "Panther's Lair."

Art Department: Hast any panther in thee?

Congratulations . . .

A Decision Well Made

ORGANIZATIONS entering Class "A" floats in the Homecoming Parade are to be commended for their decision to continue with the parade in spite of the condition of city streets which makes the parade route of previous years impossible.

If the Class "A" floats were withdrawn it would not be possible to have a parade comparable to those of the past. It is probable that there would be no parade at all.

Such action could very easily establish a precedent for future years, and it might toll the bell for Homecoming, at least as the biggest, most important celebration of the year. A Homecoming without a parade could be likened to a county fair without a midway. We congratulate the campus organizations.

Women . . .

Identity And Independence

AS THE modern college female slowly loses her identity, she also loses her independence. A classic example of this is the fact that today's coed will accept a date, regardless of the manner in which it is asked and the time.

The male ego, already inflated by female attentiveness, receives great pleasure from phoning a girl at 7:30 for an 8:30 coke date, and having her accept without a second thought.

It seems likely that the girl who picks up the phone and hears: "Hi, this is Bill. I don't suppose you'd like to go for coffee about 9?" would feel like saying: "No, I don't suppose I would." Obviously the boy had a negative attitude in the first place.

If this aspect of our collegiate culture continues, there is little that can result except that the girls will be calling Lincoln-Douglas and the fraternity houses asking for dates. If this be the only alternative, let us hope the young women do the phoning in considerate fashion.

In our present way of thinking, modern coeds may have one guide for dating procedure: "Why should we care when they ask us or how they ask us, just so they ask us."

Fish's Feelings

By Ken Fish

INASMUCH as this is my first column, allow me to introduce myself. My name is Kenneth F. (Fearless) Fish. I am a handsome, intelligent, 23-year-old sophomore from practically everywhere. I presently vote (for myself) in Charleston. However, I have a receding hairline, two children, a collie, and a wife—although they were not necessarily acquired in that order.

As for politics, I believe in the two-party system — one Friday, one Saturday. I am a veteran of no wars and I belong to no organizations, for I certainly would not join any club that would have me as a member.

If you should desire my comments or opinions about any specific subject, drop me a line at 724 2nd Street. If you do not enjoy my column, you may arrange to take an I.Q. test at the University Testing Services, I presume.

* * *

My first observation for the new school year is that Mr. Tom Katsimpalis is now with us once more, this time as assistant athletic director. Tom, former Little All-America basketball star at Eastern, is certainly well qualified for the position. There may have been greater basketball players, but I never saw them. More important, Tom is simply a great guy. It seems more like Charleston now that he has returned. Welcome home, Kat!

* * *

The Artist Series Board has lined up a fine program for this year, and should be praised for its good work. If I may be so bold, I would like to suggest that a ballad singer be presented at a future date. Bob Atcher, of WLS in Chicago, is, in my estimation, the finest in the country. Moreover, he works cheap, and could drive down practically any night.

* * *

I attended the Chicago Cardinals-Pittsburgh Steelers exhibition game on September 11 in St. Louis. Ray Fisher, Eastern grad and my high school classmate, is playing defensive tackle for Pittsburgh. In the third quarter with the Steelers leading 14-13, Ray blocked Bobby Joe Conrad's PAT try that would have tied the game. Pittsburgh went on to win, 21-13. Fisher, although a first year man, does not figure to be pushed around too much. He only weighs 265. Ray is the son of Mr. and Mrs. M. V. Fisher of rural Charleston.

Vern Richey, whose poor taste in music is exceeded only by his poor spelling, brought over for my enjoyment last week the worst record album ever pressed. Believe it or not, it contained an opera about a boy cockroach (a news writer, at that) who fell in love with a female alley-cat of low morals. I often wondered why most operas were in a foreign language. After hearing this one in English, I know!

Draw one!

Letter To The Editor

Student Officers Praise Decision on Floats

DURING THE past week several events have taken place to put the Homecoming parade in serious question. The street situation had caused some of the organizations which enter Class "A" floats to question the advisability of constructing entries.

The whole question was thoroughly presented and discussed and the Class "A" float competitors are to be commended for their fine spirit in backing the parade. Both of us express our thanks to the Class "A" entries.

Cal Stockman,
Homecoming Committee
Bob Bruce,
President, Student Senate

LITTLE MAN ON CAMPUS

"WE BETTER RUN BACK AND CHECK THAT SCHEDULE."

Critics, Moralists Provoked By Beat Generation Writers

By Ron Kelly

THE RISE of the so-called "zen" in American letters and transient living is the subject of much controversy in the circles of present-day moralists and critics.

Led by Time magazine, assailing in their usual double-adjec-tive, flippant manner, the exotic crusade championed by Jack Kerovac (On The Road) and Allen Ginsberg (Howl) has borne the brunt of a "let's bathe the unwashed or reduce them to ridicule" movement.

Novelist Kerovac, who has been following and writing about what he calls the "Beat" generation, depicts the characters in his novel as "digging" Buddhism.

Poet Ginsberg, in Howl (which has censor trouble), laments the execration of the "best minds of my generation."

The religion Zen-Buddhism, as both Kerovac and Ginsberg express it, is the practice of the individual "withdrawing" and denying desire (material wealth) that they say is the root of all human trouble.

Their cult of followers travel the country, and have formed a colony in Venice, Calif.

This small town is where poet-novelist Lawrence Lipton (The Holy Barbarians) reads his prose and verse.

Citizens of Venice who do not belong to the colony fear the "loose" morals of the would-be zens encamped there will recall the days of Babylon.

The members of the colony insist that all they want to do is sit on pillows, drink espresso coffee and "dig" — which, interpreted, means 'just sit'.

A social and literary eva-

luation of the Beat movement —if it can be called such— only proves the proverb, a man can not be a prophet in his own time.

The trend is new and commercial enough to keep all but the "tailenders" from starving.

Poet Lipton draws a good conclusion of effects and aspects in a line from one of his poems: "Later, man, later."

Students, Faculty Urged To Write To Editors

THE News encourages all members of the student body and faculty to make use of its editorial page by writing "Letters to the Editor."

All letters become the property of the News and the Publications Board upon receipt; but receipt of a letter does not necessarily obligate the editors to publish same.

Letters should not exceed 300 words and must be signed by the sender. The sender's address and telephone number must also be noted in order that the editors can, if need be, check with the writer to insure actual authorship.

Letters which "blast" certain groups or individuals will not be printed. However, intelligent inquiry into certain "situations" is welcomed.

Name of sender will be withheld upon request, but fictitious name assigned to letter will be determined by the editors. Space factors may sometimes make it necessary to condense a letter, but no letter will be edited so as to change the intent of the writer.

Campus Parking Developments Discussed By Safety Chairman

A NUMBER of parking developments, including new areas and improvements, have been made recently on the Eastern campus, according to Dr. Harland Riebe, chairman, Traffic and Safety Committee.

The parking area "U," completed this summer, can accommodate 96 autos.

With the closing of parking area "A" and the increase in enrollment, Eastern's parking problems was complicated said Riebe. He noted that parking area "U" will help better the situation.

In the future, the lot south of Lincoln-Douglas Halls will be expanded some 50 or 75 parking spaces.

The gravel area along the south-west side of Seventh Street will also be extended.

Riebe commented that the Administration has the well being of the student body and faculty in mind as evidenced by the attention given to parking situations.

Riebe also commented that stu-

dent co-operation has been very good in the past.

All student cars must display a registration sticker by October 1.

After that date any student who parks on campus without displaying a sticker on his car will be assessed with a \$5.00 late registration fee.

Registration stickers are not parking permits, Riebe emphasized.

Anyone denied a permit may appeal by turning in a written request to the dean of student's office.

Audio-Visual Workshop Scheduled In Casey

AN AUDIO-VISUAL workshop will be held tomorrow evening and Friday at the Casey High School, according to Dr. Verne Stockman, head of the Audio-Visual Center.

M. R. Tedrick, Clark County Superintendent of Schools, will present the workshop in co-operation with James A. Bouls and Loren H. Allen of the Illinois Office of Public Instruction, and the Eastern audio-visual staff.

The Eastern staff is composed of Stockman, Robert Wiseman, and Donald Hoops.

In addition to these persons, a number of representatives of film and equipment companies will be present at the workshop.

These conferences have been held in Coles, Cumberland, Cass, Effingham, Iroquois, Livingston, and Moultrie counties during the past two years.

The workshop is designed to acquaint teachers with the newer equipment and methods now being utilized in the audio-visual field, and to thereby encourage teachers to integrate more audio-visual techniques into their classroom activities.

Student Handbook To Be Distributed

ONE THOUSAND copies of the Eastern Illinois University Student Handbook will be distributed to students within the next week, according to Dr. Rudolph D. Anfinson, dean of students.

Dean Anfinson noted that the new copies will be revised copies of 1,000 handbooks already given to incoming students.

The personal conduct section of the handbook will include the new liquor ordinances of the city of Charleston:

Minors—males under 21, females under 18—who buy liquor, frequent licensed liquor establishments, or receive liquor as a gift will be punished according to local and state laws.

This is a change from the former law that excluded anyone under 21 from licensed premises.

Possession or consumption of intoxicating beverages on or near the campus is still prohibited, according to the handbook.

This is the first issue of the handbook, which the staff of the Dean of Student's office, with the advice of the Student Senate, has compiled.

The handbook is mimeographed, but Dean Anfinson said that next year's issue will probably be printed.

Peace Seminar To Meet Tomorrow

A PEACE Seminar will be held from 9:30 a.m. to 4 p.m. tomorrow at the Charleston Methodist Church, according to Dr. Donald R. Alter, Campus Co-ordinator of Religious Activities.

The seminar is sponsored by the Illinois Council of Churches, Cooperative Protestantism in Illinois. Churches from the surrounding area will participate.

All interested persons are invited to participate. College students who have an interest in sociology, political science, and related fields are encouraged to take advantage of the day's program. Cost of registration is \$1.00.

Resource leader for the day is

the Rev. Herman Reissig, International Relations Secretary of the Council for Christian Social Action, United Church of Christ. Rev. Reissig will speak on "Christian Responsibility on a Changing Planet" and "The Local Community Looks at International Affairs."

A message on the United Nations will be presented by Dr. Warren A. Sherk, pastor of the Community Church in Savanna, Ill.

Rev. Frank H. Nestler, host pastor for the day, will lead the opening worship at 10 a.m., and will also participate as a discussion leader.

ANOTHER YEAR, ANOTHER DOLLAR

Today I begin my sixth year of writing this column for the makers of Philip Morris and Marlboro Cigarettes. For this I get money.

Not, let me hasten to state, that payment is necessary. "Sirs," I said a few days ago to the makers of Philip Morris and Marlboro, "if I can introduce America's college men and women to Philip Morris and Marlboro, and thus enhance their happiness, heighten their zest, upgrade their gusto, magnify their cheer, and broaden their bliss, there is no need to pay me because I am more than amply rewarded."

We wept then. I'm not ashamed to say it. WE WEPT! I wish the wisecracks who say big business is cold and heartless could have been there that day. I wish they could have seen the great, shimmering tears that splashed on the board room table. We wept, every man jack of us. The makers wept—the secretaries wept—I wept—my agent, Clyde Greedy, wept. We wept all.

"No, no!" cried the makers. "We insist on paying you."

"Oh, very well," I said, and the gloom passed like a summer shower. We laughed and we lit Philip Morris and Marlboros—and some of us lit Alpines—which is a brand-new cigarette from the makers of Philip Morris and Marlboro—a fine new cigarette with a light touch of menthol and the rich taste of choice tobaccos and the longest filter yet devised. And if you are one who likes a fine new cigarette with a light touch of menthol and the rich taste of choice tobaccos and the longest filter yet devised, you would do well to ask for new king-size Alpines. If, on the other hand, you do not like menthol but do like better makin's and a filter that does what it's built for, ask for Marlboro. Or, if you don't like filters at all, but only mildness, ask for Philip Morris. Any way you play it, you're a winner.

But I digress. "Will you," said the makers of Philip Morris, Marlboro and Alpine, "write about the important issues that occupy the supple young minds of college America this year in your column?"

"But of course," I replied, with a kindly chuckle.

"And will you," asked the makers, "from time to time say a pleasant word about Philip Morris, Marlboro and Alpine?"

"Crazy kids!" I said with a wry grin, pushing my fist gently against their jaws. "You know I will."

And we all shook hands—silently, firmly, manily. And I left, dabbing my eyes with my agent, and hurried to the nearest typewriter.

© 1959 Max Shulman

The makers of Philip Morris, Marlboro and Alpine take great pleasure in bringing you another year of this uncensored, free-wheeling column.

Campus News Notes . . .

Student Wives

STUDENT WIVES may secure an identification card and activity book for a fee of \$2.50 per quarter by paying this amount and having identification pictures taken this week, according to the dean of mens office.

This will entitle student wives to attend all events which are regularly scheduled for Eastern students, but would not entitle them to either the Eastern State *News* or the *Warbler*.

Pictures will be taken in the dean of men's office through Friday.

Library Cards

ALL STUDENTS at Eastern who have attended here previously, and who have not obtained their library cards are urged to do so.

To obtain your card, present your registration receipt at the main desk in Booth Library. Your card will be given to you.

P E Club Films

A MEETING of the Physical Education Club will be held at 7:30 p.m. Tuesday, September 29 in the University Union ballroom.

The meeting will feature a pro football highlights film, as well as a film entitled "Your Role as a Physical Education major." Refreshments will be served.

Placement Meeting For 1960 Graduates Set For Tomorrow

ALL STUDENTS on campus this fall who expect to receive any degree in 1960 are asked to attend a meeting tomorrow morning in Old Aud.

At 10 a.m. all education degree candidates will meet for special instructions and to pick up the necessary papers for registration. These placement papers will be due October 8, 1959.

This will give the placement office ample time to prepare sets of credentials needed for interviews with school superintendents early in the year. Placement papers returned after October 8 will be subject to a late fee of two dollars.

At 11 a.m. James Knott will meet with all B.S. and B.A. degree candidates for an explanation of the business and industry placement procedures. Those students desiring to register for dual placement are asked to attend both meetings.

Students doing off-campus student teaching in the fall will meet at 3 p.m. December 8, (winter quarter registration day) in the Fine Arts Center.

Seniors off-campus who will be completing the work for their degree at the end of the fall quarter are asked to obtain placement papers as soon as possible. Mid-year vacancies are already being reported, indicating that opportunities for placement are excellent in several fields.

Registration with the Placement Bureau, at no cost, has been a pre-requisite to graduation at Eastern since the bureau started in 1934.

Dr. William Zeigel, associate dean of teacher education and placement, explained the reason for the requirement by adding that even though at time of graduation a student may have a position or may not desire the services of the Placement Bureau, there is always the chance that he may change his mind or that he may become a candidate for another position and have an immediate need for credentials.

Zeigel also pointed out that since graduate schools, government agencies, and industrial officials often desire detailed information of the type found in credentials, it is to the students' advantage to have credentials on file for prompt use.

Textbook Library

THE TEXTBOOK library was moved from Old Main to the University on August 19. Hours of operation are between 8 a.m. and 11:30 a.m., and between 1 p.m. and 4:30 p.m., Monday through Friday.

A variety of school supplies are available at the Textbook Library.

Article Accepted

DR. FRANK W. Lanning of the Laboratory School staff has received word that his article "The Plight of the Whole Child" has been accepted for publication in the *Elementary School Journal*.

The article discusses three major factors which have contributed to an apparent decline in the value of the concept of teaching the whole child that have resulted in the face of recent criticism.

Panelist

MISS LEE ANNA Smock, assistant professor at Booth Library, appeared this summer as a panelist on "The Price Is Right," moderated by Bill Cullen. She won a Revere stereo tape recorder on the show.

Miss Smock, who was chosen from a group of one thousand people, said that the experience was very educational and affirmed her belief in the honesty of quiz shows.

Cafeteria Line

THE UNIVERSITY Union cafeteria will stay open until 1:15 p.m. Monday through Friday for the convenience of students who have 11 and 12 o'clock classes. It will be necessary for each student to show his class schedule to the checker to verify his schedule.

This arrangement applies to Pemberton, Ford, McKinney, Weller, Lincoln and Douglas Halls.

Pledge Initiation

SIGMA SIGMA Sigma social sorority held pledge initiation last Sunday evening, September 20, for four girls.

The pledges are: Lona Sottrel, a sophomore from Franklin Park; Linda Hazzard, a sophomore from Oak Lawn; Sandra Oldani, a junior from Joliet; and Ann Manning, a sophomore from Carlinville.

The pledges were taken under the new quota-limitation plan set up by Panhellenic Council last spring.

Mums Sale

NEWMAN CLUB announces that yellow and white chrysanthemums are on pre-sale at all dormitories. The price is 75 cents each. All orders must be in by September 29.

Pan-Hell Party Held

APPROXIMATELY 200 non-affiliated girls attended Eastern's first Panhellenic party last Wednesday night, September 17 in the ballroom of the University Union.

Members of the three sororities—Sigma Sigma Sigma, Delta Zeta and Sigma Kappa—were on hand to welcome and meet prospective rushees.

A skit, "Greeks Through the Ages," and displays of sorority jewelry, scrapbooks and literature from each group gave the girls an opportunity to better understand sorority life.

Activity Tickets

"NO STUDENT will be admitted to any athletic event without presenting his activity and identification card," David T. Baird, assistant dean of students, announced today.

Activity tickets may be picked up at the dean of men's office during float periods.

Record Fall Enrollment

EASTERN has a total enrollment of 2,506 students for fall quarter. This is a new record for total enrollment, exceeding last year's total by 101.

On our campus are 1,036 new students, and according to John R. Jones, assistant, records, approximately 1,000 of this number are freshmen, the other 36 being transfer students. This year also boasts the largest freshman class on record. Jones states, however, that the number of returning students is down.

Board Positions Open

POSITIONS ARE open on the Artists Series Board according to Dr. Robert C. Waddell, Board Chairman. Petitions for membership on the board are available in the office of the Dean of Men.

The Artists Series Board is composed of approximately 40 students and five faculty members. Part of the responsibility of this board is the selection of the artists which appear at Eastern Illinois University.

The first meeting of the board will be at 11 a.m., October 1 in room S202 of the Science Building.

Calendar Events Meet

ADVISERS and sponsors of campus activities and organizations will meet at 10:30 a.m. tomorrow with members of the Calendar Events Committee.

The meeting will be held in Room 208 of Old Main.

Purpose of the meeting, according to Dr. Raymond McKenna, chairman of the Calendar Events Committee, is to discuss one area of scheduling conflicts.

Placement Interviews Arranged Between September 29--April 8

TEN BUSINESS placement interviews have been arranged between September 29 and April 8, according to the Placement Office.

Campus interviews for placement scheduled in the Placement Office will be reported in the *News* again this year. Occasionally, however, arrangements for interviews are made with only a few days notice.

Seniors desiring placement are urged to check the bulletin board regularly to become acquainted with the placement materials available to them and to discuss their placement problems.

The interviews listed below already have been scheduled for the coming year and the first interview is scheduled for Tuesday, September 29. Others will be listed from time to time, according to James F. Knott, assistant, teacher education and placement.

All candidates interested in an interview must sign-up with Mrs. Clayton in the Placement Office or sign-up on the bulletin board adjacent to the Placement Office.

Most of the teacher placement interviews will be set up during the months of January, February, and March. Information received from the placement office indicates that this past year school administrators from 79 Illinois and 16 out-of-state communities came one or more times to the

campus for interviews. Business officials representing 22 firms appeared on campus recruiting personnel.

Campus Interviews:

September 29, Proctor and Gamble, Max Underwood

October 19, Federal Government, Social Security, Charles Thompson

November 6, State Farm, Gene Ferris

November 18, Ohio Oil Company, James Abbott

February 9, UARCO, Inc., J. E. Hicks

February 17, Ohio Oil Company, James Abbott

March 2, IBM, G. R. Danielson

March 15, Federal Government, Social Security, Charles Thompson

April 5, Proctor and Gamble, Max Underwood

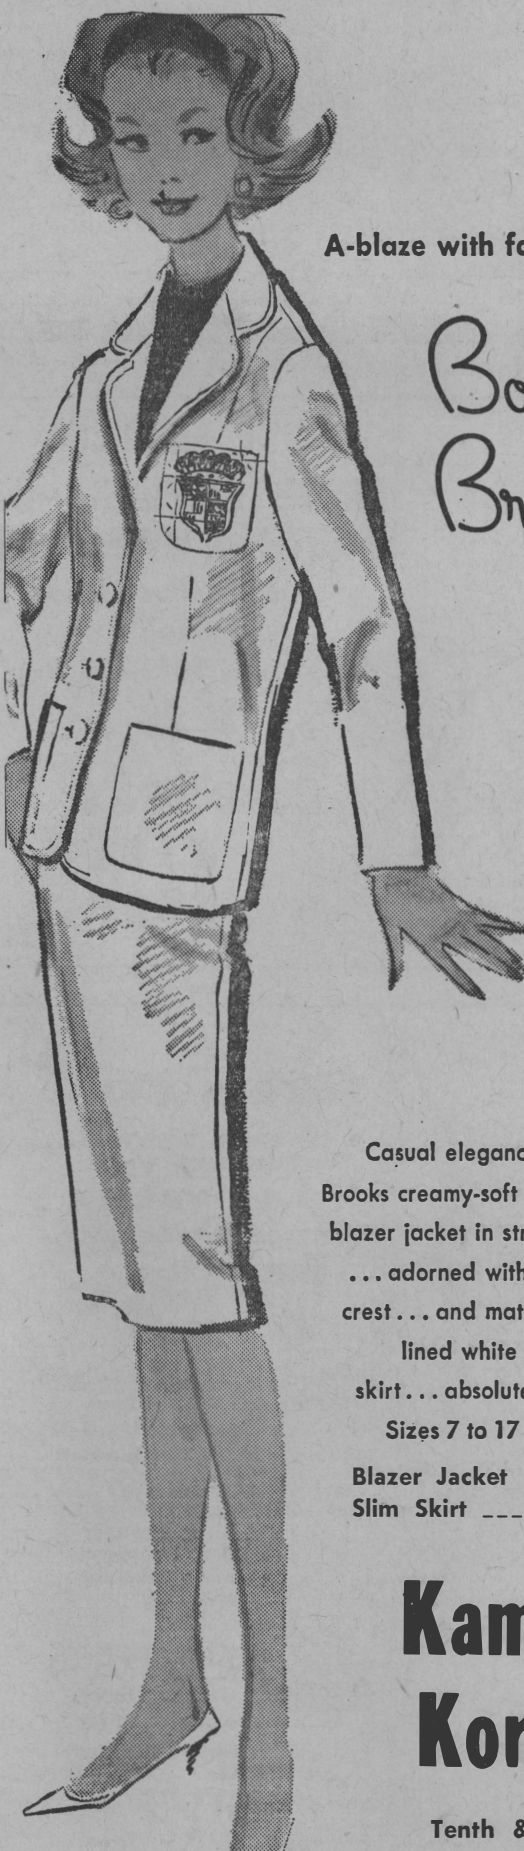

April 8, State Farm, Gene Ferris

Sophomores—Sept. 29 thru Oct. 14

First SEA Meeting Scheduled For Next Week, Says Grado

THE STUDENT Education Association, formerly Future Teachers of America, will hold its first meeting at 7:30 p.m. Tuesday in the former library at Blair Hall, according to Dr. Louis Grado of the education department and sponsor of the organization.

Freshmen are especially invited to attend this meeting since a program has been planned which will be of interest to them. The program is composed of former members of PTA in high school. Each will tell what the PTA group contributed in teacher recruitment.

The organization, which is commonly known as SEA, is a branch of the Student National Education Association, a professional association for college or university students preparing to teach.

A member of SEA is a student member of his state education association and the NEA, and has all the rights, preivileges, and responsibilities of associate membership in these professional organizations.

SEA provides members with opportunities for developing personal growth and professional competences; gaining an understanding of the history, ethics, and program of the organized teaching profession; participating in co-operative work on the problems of the profession and the community; and active professional membership on the local, state, national, and world levels.

It provides experiences which will interest capable students in teaching as a career; encourages

the careful selection and guidance of persons admitted to teacher education programs; and, though higher standards of preparation and the dissemination of information, contributes to a reasonable balance in teacher supply and demand.

Chapter Quota-limitation Planned For Sororities

A CHAPTER quota-limitation plan for sororities will be in effect this year as a result of action taken last spring by Eastern's Panhellenic Council.

Mary Lou Shoemaker, president of Panhellenic, stated that the main purpose of this plan is to bring about a healthy and normal chapter size for all groups. While it limits the total chapter size, it also guarantees an opportunity to pledge a normal pledge class each year.

Under this plan, the total membership of the chapter is limited and a pledge quota is set for the formal Winter rush period. Fall and Spring rush will be held for those groups having a deficit in membership.

go on sale Monday in the lobby of the Union. Advance ticket prices are as follows: student dance — \$1.50; concert — \$1.00; combination concert and dance — \$2.00; and adult dance — \$2.00.

On the night of the Homecoming concert and dance, all admission prices will be increased 25 cents.

Students, faculty and alumni may purchase tickets at student prices.

Eastern Students Exhibit Own Art

TWO EASTERN students in the department of art and one former Eastern student were represented in the recent 13th annual Illinois State Fair Professional Art Exhibit, according to Dr. Calvin Countryman, head of the art department.

James Koertge, Olney, sophomore; Charles Lowe, Charleston, graduate art student; and Gene Roberds, Lawrenceville, graduate student at the University of Illinois and former Eastern student joined artists from seven mid-western states in competing for the \$2,250 prize money.

Soviet School Film Set For Showing

“SCHOOL DAYS”, a soviet produced film describing the Russian 10-year educational program will be shown at 7:15 p.m. Monday, September 28 and Tuesday, September 29, in the lecture room of Booth Library, according to Dr. Raymand McKenna, program chairman.

The film is being sponsored through the co-operation of the education department and the Audio-Visual Center.

“School Days” was made in Russia and was shown in commercial theaters.

New Parking Regulations In Effect During Repairs On Charleston Streets

POLICE CHIEF John Pauley has announced that new parking regulations will be in effect during the current period of street repair.

Fourth Street—no parking on either side between Harrison and Lincoln.

Sixth Street—no parking on the west side between Harrison and Lincoln. Two-way traffic between Harrison and Lincoln.

Seventh Street—no parking on the west side between Harrison and Lincoln. Two-way traffic between Harrison and Lincoln.

Tenth Street—no parking on either side between Harrisson and Lincoln.

Lincoln Street—closed to all traffic. Unauthorized use of Lincoln Street not only hampers construction work, but also creates a bad dust situation for residents in the area.

Dickerson Awarded Honorary Membership

DR. EARL Dickerson, professor in business education, has been elected to honorary membership in the Eastern Illinois Association of Life Underwriters for 1959-60, according to Dr. James Giffin, head of the business department.

The Association of Life Underwriters is composed of life insur-

Foreign Language Department Moves

THE FOREIGN language department has a new home!

With the department of the music department from Old Main, the center of the third floor is now a mixture of offices and laboratories for the foreign language students.

Dr. Martin M. Miess, German instructor, is in charge of the new laboratory. It is composed of 12 stations, each equipped with a record player, where students may practice and listen to their particular language.

After listening and practicing, they may go to a table which holds a tape recorder, where four persons may tape and listen to play-backs at the same time.

Each of the instructors and the co-ordinator have their own room. In addition to these rooms there is a meeting room for clubs. This room will be kept open during the day for students to come and read magazines, when no other class is meeting there.

The Spanish, French and German clubs will begin their meeting the first of October in the new club room.

ance agents and salesmen who have qualified for membership by reason of selling and service records.

Panthers Tangle With Austin-Peay Saturday

Ind. State Stops EIU In Opener

EASTERN ILLINOIS got its football season off on a sour note by losing to Indiana State 7-6 under the lights at Memorial Stadium in Terre Haute Saturday night.

It was the opening game for both teams and the win avenged Indiana State's opening day loss to the Panthers last year. Coach Ralph Kohl's team rolled over the Sycamores 30-8 in 1958.

The Panthers scored early in the game and it looked like the score might run similar to last year's. But from this point on, outside of a touchdown called back, Eastern's offense failed to jell.

Fullback George Rykovich set up the only Panther score. The Gray, Indiana native picked off a Sycamore aerial on State's 44 yard line and got back to the 33 before being stopped. Eastern worked the ball to the five-yard line before Harold "Butch" Knowles went off-tackle and into the end zone standing up for Eastern's first score of 1959.

A Ron Fredin pass went incomplete in Eastern's attempt for the two point PAT.

After State had a 35-yard touchdown run by Lloyd Robbs called back, the Sycamores rallied for a touchdown with only 22 seconds left in the first quarter.

State moved the ball to Eastern's 18-yard line before an off-side penalty moved the ball back to the 23. Fullback Bill Murphy, halfback Steve Martin, and Robbs moved the ball in three plays to the nine-yard line. On the next play quarterback Bob Clements hit Robbs on a pass over the middle and the former Indiana All-Stater carried for five yards into the end zone.

Junior Wally Webb calmly kicked the PAT and what later proved to be the winning point.

Freshman Bill Hamilton ran 29 yards for a touchdown in the second quarter only to have it spoiled by a Panther penalty. Hamilton, making his first appearance in a collegiate football game, was Eastern's leading ground-gainer. The Springfield native picked up 54 yards in 11 carries, which is just a little less than five yards per carry.

Eastern gained 163 yards on 50 carries while State carried 49 times for 155 yards. The Panthers failed in five pass attempts and State connected on two of 11 throws for 16 yards. The Sycamores held a 9-7 first down edge.

Panther Backs

GEORGE RYKOVICH, left, and Harold "Butch" Knowles are two reasons Coach Ralph Kohl is expecting to top last year's record of two wins and six losses.

Coaches From 13 Counties Meet For Confo In Olney

The southeastern district of the Illinois Association for Health, Physical Education and Recreation will meet Saturday, September 26, at East Richland High School in Olney.

Physical education instructors and coaches from a 15-county area have been invited to the conference. Counties included are Shelby, Coles, Cumberland, Clark, Effingham, Fayette, Jasper, Crawford, Clay, Marion, Richland, Lawrence, Wayne, Edwards, and Wabash.

Purpose of the conference is to assist and inform the physical education faculties and coaching staffs of new trends, methods and techniques of teaching in a variety of activities.

Reservations for the conference are to be made with Dr. John B. Hodapp, secretary-treasurer, of the Eastern Illinois University athletic department office.

Fulk and Rykovich Named Captains

FULLBACK George Rykovich and tackle Bob Fulk were named co-captains of the 1959 Panther football team by Coach Ralph Kohl.

Rykovich, a native of Gary, Indiana is working on his second Eastern letter. Rykovich transferred to Eastern last season and promptly became the Panther backfield leader. The senior fullback was elected most valuable player by his teammates and was also a second team all-IIAC choice in 1958.

Fulk is working on his third varsity letter and will be serving as a Panther captain for the second straight year. Fulk shared the honor with Dave Fields last year. The big 215 pounder hails from Moweaqua.

Other officers are Walter Storm, Mattoon, president, and Aline R. Elliott, Eastern Illinois University, vice-president.

EIU Gridders To Seek Revenge For Last Season's 21-6 Defeat

EASTERN ILLINOIS will oppose Austin-Peay State College Saturday in the first of four home football games on the nine game Panther schedule. Game time is set for 2 p.m. on Lincoln Field.

The Panthers were on the short end of a 21-6 score last season in the first football meeting between the two schools. It was a game which hurt Coach Ralph Kohl's chances for a successful season because of the many injuries suffered. Ron Fredin, among others, suffered a severe shoulder injury that put him on the sidelines for the remainder of the season.

The Governors have 12 returning letterwinners from last year's team which won three and dropped seven. After dropping Eastern in the second game of the year, Peay lost three straight games before topping Troy State, 12-10.

Peay, located in Clarksville, Tennessee, is paced by co-captains Bert Simpson and Sid Ingram. Simpson is a junior halfback and Ingram a senior guard.

Simpson was Austin-Peay's leading ground gainer last season with 333 yards and a 3.47 yards per carry average. Simpson out-gained the entire Arkansas State backfield by picking up 131 yards in a losing cause last season.

Ingram is a transfer from Florida State and is working on his third football letter at Peay. He was voted the most outstanding lineman in a charity-bowl game against Fort Campbell last year.

Head coach Earl Gartman, in his second year at Peay, will go with a starting line that averages 193 pounds. Guard Jack Buchop-sky (207), Ingram (205), and center Jerry Vetz (200), are the Governors biggest linemen.

The backfield will feature one of the smallest fullbacks in the world. Lee Roy Overstreet stands only 5-7 and weighs 165 pounds, but is known for his hard-hitting and running almost parallel to

the ground. He was the Southern Golden Gloves middle-weight champion in 1958.

Quarterback Rudi Argenti and halfback Ted Potter will team with Overstreet and Simpson to make up the Governor backfield.

Eastern would like nothing better than to avenge some of the rough treatment and the defeat suffered at Clarksville last year. The swinging of elbows is allowed pretty freely in that part of the country and there was plenty of it by Peay last year. Things could get a little hot if it continues at Lincoln Field this season.

Peay's starting eleven:

Bob Baumgartner	RE	175
Bill Foster	RT	190
Sid Ingram	RG	205
Jerry Uetz	C	200
Jack Bushofsky	LG	207
Carlos Alexander	LT	200
Clifford Sims	LE	188
Rudi Argenti	QB	170
Ted Potter	RH	165
Bert Simpson	LH	168
Le Roy Overstreet	FB	165

Katsimpalis Returns To Eastern Campus

by Jim Kimball

KATSIMPALIS, former Little All-American basketball player at Eastern, has returned to Eastern this fall as Assistant to Athletic Director. Katsimpalis graduated from Eastern in 1952 coached basketball, track, and baseball at Altamont for four years. Katsimpalis served as head coach in basketball and track and field for the past three years and is recognized as "Eastern's basketball."

* * * The Eastern football schedule has added one new opponent since last season. Ball game will appear on Lincoln field October 3rd. The last time the Panthers faced Ball State was in 1951 and were defeated 35-6. The Ball State will also appear on the other basketball schedule. For highlights of the basketball schedule is two games with Tennessee A & I and a holiday tournament at Springfield, Missouri in late November.

* * * Lincoln Field has undergone two changes which will be very noticeable to fans this season. A new \$5,000 press box has been constructed and the goal posts have undergone a NCAA rules change. The uprights on the goalposts have been extended outward two and one-half feet on each side. This change will definitely benefit the kickers trying for field goals and extra points.

The new press box is modernistic-looking and stands ten feet higher than the old press box, but if it had ears they would be burning. Several comments by area newsmen and photographers have not been good. The long climb up a steep narrow ladder, among other things, received most of the sharp criticism.

* * * Twenty-six freshmen make up almost half of the Eastern football team and a couple bring very interesting backgrounds to Eastern with them. Bob Doty, St. Elmo

halfback, was the state 100 yard dash champion last spring and should stir up a lot of interest at the Lincoln Field track this coming spring.

Another freshman, Jim Kimball from the little community of Westfield, comes to Eastern with no all-state titles or any scrapbooks filled with stories telling of his heroics on the high school gridiron. In fact, he didn't even bring any past football experience with him. The sport of football is not offered at Westfield, thus Kimball came to Eastern with no previous football experience. He stands 5-11, weighs 195 and will spend most of the year picking up the main fundamentals of football. End coach Robert Hussey in summing up Kimball had this to say: "Has nice potential, good speed, but green and inexperienced."

Success Of Eastern Cross Country Team Depends On Freshmen

COACH MAYNARD "Pat" O'Brien will hinge his hopes for a successful cross-country season around three veteran lettermen and the largest turnout of freshmen in his many years at Eastern.

Rawlan Lillard, senior captain from Danville, Dick Kragler, senior from Mattoon, and Ron Gordon, sophomore from Decatur, will form the heart of the harrier squad which saw 14 freshmen report for the first week of practice.

Last season the Panthers finished the season with a 4-5 record and placed seventh in both the State and IAC Meets. Lillard finished sixth in the IAC, Kragler was 20th, and Gordon wound up 34th.

The distance men open the season September 30 at Indiana State and open at home October 10, which is Homecoming. The schedule for 1959 is as follows.

Sept. 30—Indiana State, there
Oct. 3—Northern, there
Oct. 10—Illinois Normal, Loyola, here
Oct. 17—Southern, there
Oct. 21—Indiana Central, here
Oct. 24—Western, there
Oct. 31—Wheaton, here
Nov. 7—State Meet, Normal
Nov. 14—IAC Meet, here

Notice

GYMNASTICS COACH Robert Hussey has announced that any boy or girl student interested in gymnastics or tumbling should report to him immediately. Coach Hussey's office can be found in the men's physical education office in Lantz Gym.

IAC Schedule

TEAMS will spend this week battling non-conference games before Eastern Michigan vs. Illinois Normal October 2 is the IAC opener.

Eastern Illinois, 1958 IAC champion, opens defense of its title October 3 against tough Central Michigan.

Following is the schedule for the week:

Oct. 24—Western Illinois vs. Bradley
Oct. 25—Drake vs. Central Michigan
Oct. 26—West Virginia State vs. Southern Illinois; Eastern Illinois vs. Austin-Peay; North Central vs. Northern Illinois.

Tight IIAC Race Expected In Battle For Football Title

by Jim Kimball

THREE TEAMS, 1958 champion Western Illinois, Southern Illinois and Central Michigan, are expected to fight it out for the 1959 IIAC football title. All three, plus Eastern Michigan, made up the first division in the IIAC last year.

On paper, Western again appears to be the team to beat. The Leathernecks, who won the IIAC with a 5-1-0 record, were the top offensive club in the league and retain the same backfield. Their backfield of Leroy Jackson, Larry Garron, Mike McFarland, and Don Washkevich is considered one of the fastest in the nation.

Possible weaknesses include depth in the linemen and a passing offense, but that speedy backfield should overshadow any passing weaknesses the Leathernecks may have.

Central Michigan tied for second with Southern in 1958 and each have the material to go all the way this year. The Chips will sport a backfield almost as fast as Western's. Included is Walter Beach, most valuable player in the IIAC, who led the conference in rushing, total offense, and scoring.

Central's defense was spotty at times last year and will have to be improved before the Chips can go all the way. They rated fourth in total defense last season but retain 30 lettermen.

Southern has 17 returning letterwinners of which 13 are linemen. Without a doubt the Salukis should have one of the toughest and certainly the largest line in the conference. Lettermen Willie Brown and Houston Antwine, both of Memphis, Tennessee and all-IIAC choices, spell bad news for opposing teams.

The Saluki line finished second in total defense in the conference, allowing an average of only 208 yards per game last season. But Southern must fill the big shoes

of quarterback Bill Norwood, halfback Carver Shannon, and fullback Cecil Hart. The success of Southern depends on how well this job is done.

The rest of the league shapes up as follows:

Eastern Michigan—The Hurons have 14 returning lettermen but ten of the starters were lost, so a complete rebuilding program is underway.

Northern Illinois — Twenty-one returning lettermen from last year, including quarterback Lew Flinn, are on hand. Flinn led the IIAC in passing in 1958 and his favorite target, Alan Eck, is also back. Defensive strength and a breakaway scoring threat is missing. The Huskies whole offense centers around the arm of Flinn.

Illinois Normal — Depth and speed are missing even though 15 lettermen are on hand. The Redbirds were tops in passing and second in rushing for the second best offense in the league last year. Quarterback Wayne Meece and halfback Dean Puyear are the backfield leaders.

Eastern Illinois — The Panthers with 13 returning lettermen stand an excellent chance of moving close to the first division. George Rykovich, Harold Knowles, and Ken Calhoun are each fine running backs and, with a little help from the line, could constitute a fearsome trio. Each possesses good speed and football savvy.

Peay Co-Captains Ready For Panthers

GUARD SID Ingram and halfback Bert Simpson, Austin-Peay co-captains will lead the Governors against Eastern on Lincoln Field Saturday.

Ingram is a two year letterman

Sid Ingram

Bert Simpson

and starter from last year's squad. He hails from Birmingham, Alabama.

Simpson was the Governors leading ground-gainer last season with 333 yards. He is a junior in eligibility, although he is a senior scholastically.

Touch Football And Soccer Opens Intramural Play Today

by Ron Fritchley

TOUCH football and soccer kick-off the Fall quarter intramural program this afternoon as action starts on the three athletic fields behind Lincoln-Douglas Halls.

The official schedule and number of participants has not yet been released, but it is a certainty that the Phi Sigs will be out to retain their touch football crown and Sig Tau will be looking for its second consecutive soccer title.

John Hodapp, Director of Intramurals, wishes to remind all interested organizations that the deadline for swimming entries is October 16 and the meet will be held at the Buzzard school pool, October 20.

Organizations may sign up for half-hour practice sessions which will be held from 7-9:30 p.m., starting September 28. The pool will be open Monday through Thursday with each team limited to two practices per week.

Individual entries for the swimming meet will also be accepted but contestants are asked to check with the intramural office for practice times.

Each entrant may participate in three events, one of which must be either the relays or diving. NCAA rules will be used in governing the meet.

Seven events are offered: 50 yard free style 50 yard orthodox breast stroke 50 yard backstroke 100 yard free style

100 yard medley relay (four men—consisting of backstroke, breast stroke, butterfly, and free style, in that order)

200 yard free style relay (four men) one meter diving

Required in the diving event is: running front dive (header or swan), back dive (pike or layout),

and back jack knife. Optional is any three dives other than those required.

A new system has been set up for compiling points toward the All-Sports Trophy to be given away at the end of the year. In the past a team or organization has been given more points for winning the track, swimming, and wrestling meets, which are each held in one day. It didn't seem fair that a team play a sport such as basketball over two months and pick up less points for winning than the swimming, wrestling, or track meets held in one day. Thus, the Intramural Office has reorganized the points system so that the points will be more evenly divided in each sport.

WAA Fall Picnic Set For Tomorrow

JO DeBOIS, president of Women's

Athletic Association, announced that all women interested in joining the WAA Club should report to the activity of their choice on the scheduled meeting date.

Activities of the year got underway Monday. Schedules, which tell the date and location of the sports, are now posted in the women's locker room and on the WAA bulletin board in Lantz Gymnasium.

Available activities are hockey, badminton, individual sports, modern dance, swimming, stunts, and tumbling.

The WAA invites all women students to attend its fall picnic which will be held tomorrow. Picnic activities include swimming from 5 p.m. to 6 p.m. in the Laboratory School pool followed by a picnic on the home economics grounds, according to Carolyn Bugg, chairman.

Salem's new cigarette paper discovery

"air-softens" every puff!

Special new HIGH POROSITY cigarette paper

Invisible porous openings blend fresh air with each puff for a softer, fresher, more flavorful smoke

Salem research creates a revolutionary new cigarette paper that breathes new refreshing softness and finer flavor into the smoke. Now, more than ever, there's Springtime freshness in every puff of a Salem. Smoke refreshed... smoke Salem.

Created by R. J. Reynolds Tobacco Company

• menthol fresh • rich tobacco taste • modern filter, too

Salem refreshes your taste

Pinnings

MISS SIGRID Smith, a member of Sigma Sigma Sigma sorority, recently became pinned to Mr. Curt Dunbar. Miss Smith is a sophomore pre-nursing major from Oaklawn. Mr. Dunbar, a junior business major, is a member of Tau Kappa Epsilon.

* * *

MISS CHRISTINE Whalen, a sophomore English major from Flora, was pinned to Mr. Bob Thompson, a student at Southern Illinois University. Miss Whalen is a member of Sigma Sigma Sigma social sorority. Mr. Thompson is a member of Sigma Pi fraternity.

* * *

MISS BEVERLY Tilley, a sophomore elementary education major from Effingham, was pinned to Mr. Jim Bradham, also from Effingham. Miss Tilley is a member of Delta Zeta social sorority and Mr. Bradham is a member of Sigma Pi fraternity.

* * *

MISS BARBARA Webb, a junior music major from Effingham, was pinned recently to Mr. Jack Coventry. Miss Webb is a member of Sigma Kappa social sorority. Mr. Coventry, a recent graduate, is a member of Alpha Kappa Lambda social fraternity. Mr. Coventry, a music major, is teaching in Danville.

* * *

MISS LAURA Bellaver was recently pinned to Mr. Terry Dazey. Miss Bellaver, a senior business major from Hillsboro, is a member of Delta Zeta social sorority. Mr. Dazey, a member of Tau Kappa Epsilon, is a junior industrial arts major from Danville.

Engagements

MISS KAREN Johnson and Mr. Arthur Lawrence became engaged recently. Miss Johnson is a senior elementary major from Decatur. Mr. Lawrence is employed as an automobile salesman in Warrensburg.

* * *

MISS JOYCE Pasero, a senior business major from Paris, became engaged to Mr. Richard Dutton. Mr. Dutton, a senior from Homer, is a member of Sigma Tau Gamma social fraternity.

* * *

MISS JUDY Pearson, a junior English major from Rantoul, became engaged recently to Mr. Bob Lathrop, also from Rantoul. Miss Pearson is a member of Delta Zeta social sorority and Mr. Lathrop is a member of Phi Sigma Epsilon social fraternity.

Marriages

MISS NANCY Custer, a junior business major from Paxton, was married to Mr. David McInroe, a senior zoology major from Decatur. Mrs. McInroe is a member of Sigma Sigma Sigma social sorority.

MISS ANNE Lavery, Lansing, was married recently to Mr. Herbert Mansholt, a 1959 graduate of Eastern from Martinsville. Mrs. Mansholt is a member of Sigma Kappa social sorority. Mr. Mansholt is a member of Sigma Tau Gamma social fraternity. The couple are now living in Casey.

* * *

MISS BETTY Jo Jarrell, a senior zoology major from Paris, and Mr. Richard Allen, a senior geography major from Bradley, were married recently. Mrs. Allen is a member of Sigma Kappa social sorority, and Mr. Allen is a member of Chi Nu social fraternity.

* * *

MISS Marilyn Hutchcraft, a recent graduate from Gibson City, married Mr. Edward Landers, a senior business major from Springfield. Mrs. Landers is a member of Delta Zeta social sorority and he is a member of Sigma Pi social fraternity.

* * *

MISS BEVERLY Admire, a recent graduate from Eastern, and Mr. Ralph Waltrip, also a recent graduate, were married. Mrs. Waltrip, a business education major from Gillespie, is a member of Delta Zeta social sorority. Mr. Waltrip, Industrial arts major from Flat Rock, is a member of Phi Sigma Epsilon social fraternity.

* * *

MISS DORIS Berg, a senior business major from Altamont, was married to Mr. Del Wolf, a student at Southern Illinois University. Mrs. Wolf is a member of Sigma Sigma Sigma social sorority.

* * *

MISS SHARON Dalle, a former student from Danville, married Mr. James Linne from Danville. Mrs. Linne is a member of Delta Zeta social sorority. Mr. Linne, a senior, is a member of Tau Kappa Epsilon social fraternity.

* * *

MISS CONNIE Jo Seaman, a graduate from Arthur, married Kenneth Cookson, Purdue University. Mrs. Cookson is a member of Delta Zeta social sorority.

* * *

MISS NORMA J. Spitale, a graduate from Springfield, was married to Mr. Walt Brantley, from Robinson. Mrs. Brantley is an art major and a member of Delta Zeta social sorority. Mr. Brantley is a member of Tau Kappa Epsilon social fraternity.

Births

MR. AND MRS. Darwin Vits announce the birth of their son, Stephen George. Mrs. Vits, the former Carol Stevenson, is a senior music major and a member of Delta Zeta sorority. Mr. Vits, a former Eastern student, is now employed at the Caterpillar Tractor Company in Decatur.

* * *

A SON, Thomas Allen, was born to Mr. and Mrs. Gene Harris. Mrs. Harris, the former Sue

Seniors, Graduates May Apply For Danforth Fellows

SENIOR COLLEGE men and recent graduates who are preparing for a career of college teaching, and are planning to enter graduate school in September, 1960, for their first year of graduate study may apply for the Danforth Graduate Fellows for 1960, according to an announcement from the office of the dean of the faculty.

These fellowships are primarily "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need.

The maximum annual grant for single Fellows is \$1,500 plus tuition and fees; for married Fellows, \$2,000 plus tuition and fees, with an additional stipend of \$500 for each child.

Students with or without financial need are invited to apply. A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, or Marshall.

Applications are accepted from the areas of natural and biological sciences, social sciences, humanities, and all fields of specialization to be found in the undergraduate college.

Qualifications of the candidates are: men of outstanding ability, personality congenial to the classroom, inte-

Crumrin, is a 1959 graduate of Eastern. She is a member of Sigma Kappa social sorority. Mr. Harris, a member of Phi Sigma Epsilon social fraternity, is a senior.

Artists Series Program . . .

cess in this field being his "Bluebird of Happiness." Peerce attributes his versatility to his exclusively American training. A native of New York City, Peerce became established as a star of the Radio City Music Hall.

Eventually he had an audition with Toscanini and the NBC symphony Orchestra in numerous concert performance of opera, even though he joined the Metropolitan. Peerce has been seen frequently on "The Ed Sullivan Show."

The dancing star of "Around the World in 80 days," Jose Greco will appear on January 26, with his company of 22 Spanish Dancers and musicians.

A native of Italy, Greco was taken to Seville, Spain at the age of seven, where he absorbed the techniques of the traditional Flamenco dances. At ten he came to New York where he continued to study dancing.

The turning point of his Career came in 1941 when he became the partner of the famed La Argentinita. After her death in 1945, he became the partner of her sister, Pilar Lopez.

After he formed his company, he met resounding success in the

capitals of the world. In 1950 the Spanish and British Governments sponsored his first appearance in London at Covent Garden.

Now a naturalized American, Greco is the first artist ever to have been booked at the Waldorf Astoria for two engagements within a six month period. He has appeared on "the Ed Sullivan Show" and "Omnibus."

On April 6, the young American pianist Claude Frank will appear. A student of the late Artur Schnabel, Frank made his debut with the NBC Symphony and has toured North America and Europe.

Born in 1925, Frank and his parents fled Germany in the early years of Hitler and managed to escape the Wehrmacht as it marched through Europe. After hiding out in the Pyrenees in southern France, the Franks made their way to Spain.

Eventually, through the aid of the American ambassador who heard Frank play, he came to the United States with his family. After serving in the Army from 1944 to 1946, he became a teacher. In 1953, he embarked on his professional career as a pianist.

Peace Seminar Rides

TRANSPORTATION to the Peace Seminar will be provided by the recently formed student discussion group, according to Pat Tipword, acting secretary of the group.

Those wishing a ride should meet at the east entrance of Blair Hall at 9 a.m. tomorrow. Additional trips will be made throughout the day as the need arises.

Church Night Observed Here

CHURCH NIGHT was observed Thursday, September 10, on the Eastern campus.

The program was designed to encourage students to attend the churches of their choice during their college years and to encourage their joining one of the organized student religious groups that meet during the school year.

Approximately 400 students gathered in Lantz Gym for the event, according to Dr. Donald R. Alter, co-ordinator of religious groups on the campus. Catholic students reported directly to the local church.

Ten local pastors were introduced by Alter, as were Mr. Stanley Brunn, president of the Student Religious Council, and faculty group leaders Mrs. Francis McColl and Miss Louise Murray.

After a brief meeting, the group separated to go to the local churches or to some meeting place on the campus.

There are now eight student religious groups. Each has been assigned a bulletin board space in the west hall of Old Main where times and places of meetings are posted. Most groups meet Thursday nights.

At present, besides the Inter- varsity Christian Fellowship, which is non-denominational, there are groups centering in the following churches:

Baptist (Roger Williams Fellowship); Catholic (Newman Club); Christian (Disciples Student Fellowship); Evangelical United Brethren (E.U.B. Fellowship); Lutheran (Gamma Delta); Methodist Student Movement; and Presbyterian (Chi Chi Phi).

If there are any other groups wishing to organize, they may consult Alter concerning the procedure and the rights to which they would be entitled.

The following local ministers took part in the evening's program:

Rev. C. L. Ashby, Rev. Hubert Beck, Rev. Carl E. Cruse, Rev. Robert Epinette, Rev. L. B. Honderich, Rev. Wesley Phillips, Rev. Edwin G. Respass, Rev. Clifford W. Rust, Rev. William Welch and Rev. Glen Wittrup.

Parade Plans

(Continued from page 1)

give his committee little choice but to recommend that parade plans for 1959 be abandoned.

Other arguments presented in favor of a parade centered around the need for attraction to bring alumni back to the campus on the morning of Homecoming, to hold students on campus over the Friday, October 9, vacation, and to preserve a tradition that has gone unbroken for many years.

The parade route announced by the Homecoming Committee begins on Tenth Street at Harrison, turns left on Jackson to the square, proceeds around the square to Jackson, moves to Fourth Street on Jackson, and continues south on Fourth to the Lincoln Field area.

Floats will enter into position on Tenth, and bands will move into the parade from Harrison, according to the announced plan.

Stockman said that he and Bob Bruce, president of the Student Senate, had checked the route and determined that it could be successfully travelled by 50-foot float sections.

The Homecoming chairman also noted that city officials had agreed to cooperate in keeping the route clear for that date.

Floats will be designed around the idea of "Homecoming," but no specific theme has been assigned to the parade. "Victory Over the Huskies" is the theme to be followed by house decorations.

Eastern meets the Huskies of Northern Illinois in the Homecoming football game.

Choral Groups Organizing

THE CHORAL groups of Eastern are in the process of organizing this year's personnel, according to John Maharg, vocal instructor in the music department.

Newly organized this year is the male chorus. Under the direction of Robert Pence, assistant professor of music, the chorus meets at 4 p.m. on Monday and 9 a.m. on Wednesday in the band room of the Fine Arts Center.

Mixed chorus had 68 persons in attendance at its first rehearsal. According to Maharg, auditions will not be required and anyone may attend. Maharg has set the goal of having a chorus of 100 voices before the end of the year.

He stated that he especially has a need in the chorus for tenor voices. Mixed chorus meets at 1 p.m. on Monday and 4 p.m. on Wednesday in the chorus rehearsal room in the basement of the Fine Arts Center.

The Cecilian Singers, Eastern's all-girl ensemble, began its year with 48 singers. This group will rehearse at 7 p.m. Tuesday and 9 a.m. Wednesday, every week in the chorus rehearsal room.

These performing organizations have numerous opportunities to sing during the school year, both on campus and throughout the surrounding territory.

Fine Arts Festival Scheduled

THE FINE Arts Festival, featuring the dedication of the Fine Arts Building and combined programs of the art, music, and speech departments, will be presented October 4-10.

An open house and a brief dedication program at 3 p.m., October 4 at the Fine Arts Center will begin the week of festivities.

Films Are Offered By Physics Dept.

A SERIES of films covering one year of high school physics is currently being shown by the Physics Department in room 216 of the Science Building at 4 p.m. each day.

The series was begun last Monday and will be continued throughout the school year to aid students interested in the field of physics and is open to all students without charge.

Dr. Harvey E. White, physicist and teacher, is the lecturer for the series.

Specific divisions of the course are: mechanics, heat-light-sound, and electricity and magnetism. The divisions will be shown in that order.

Special topics to be covered near the completion of the course are atomic physics, nuclear physics, quantum optics and electronics.

Performances of the Greek drama, "Antigone," by the speech department and the light opera, "The Old Maid and the Thief," by the music department will be given at 8 p.m., October 5-9.

Films on art and the arts will be shown each afternoon at 4 p.m. by the art department.

An art exhibit of student-faculty work will be shown all week, and a special exhibition is scheduled for the gallery.

A coffee hour and an open house will be held at the Student Union from 9 a.m. to 12 noon, October 10. The Fine Arts Center will have an open house from 9 a.m. to 11 a.m.

Warbler Names Editor; Business Manager Open

MARILYN KING, junior business major from Mattoon, was appointed editor-in-chief of the Warbler at a meeting of the Publications Board last Wednesday, September 16.

Marilyn is a student assistant at Weller Hall.

The board announced also that a business manager must still be secured. Any interested persons who hold the necessary 2.6 grade point average, may contact Dan Thornburgh, Warbler adviser, office of public relations.
